A modern interior space featuring a dark, textured wall panel (Tactile material) and a light-colored wooden floor. In the background, a dining table with white chairs and a potted plant are visible. The scene is well-lit, suggesting a bright, airy environment.

Los materiales Tactyle son una alternativa sostenible para proyectos de construcción y decoración.

Sus acabados de lujo y su versatilidad posibilitan diseños de gran belleza formal, en un mundo que demanda materiales sostenibles.

La recreación de acabados naturales, en una amplia gama de colores y diseños, facilita que para cada proyecto haya un acabado Tactyle.
